

Going to the Toy Library

Soon, we will go to the library.

The library is a place where I can look at books, DVDs and more.

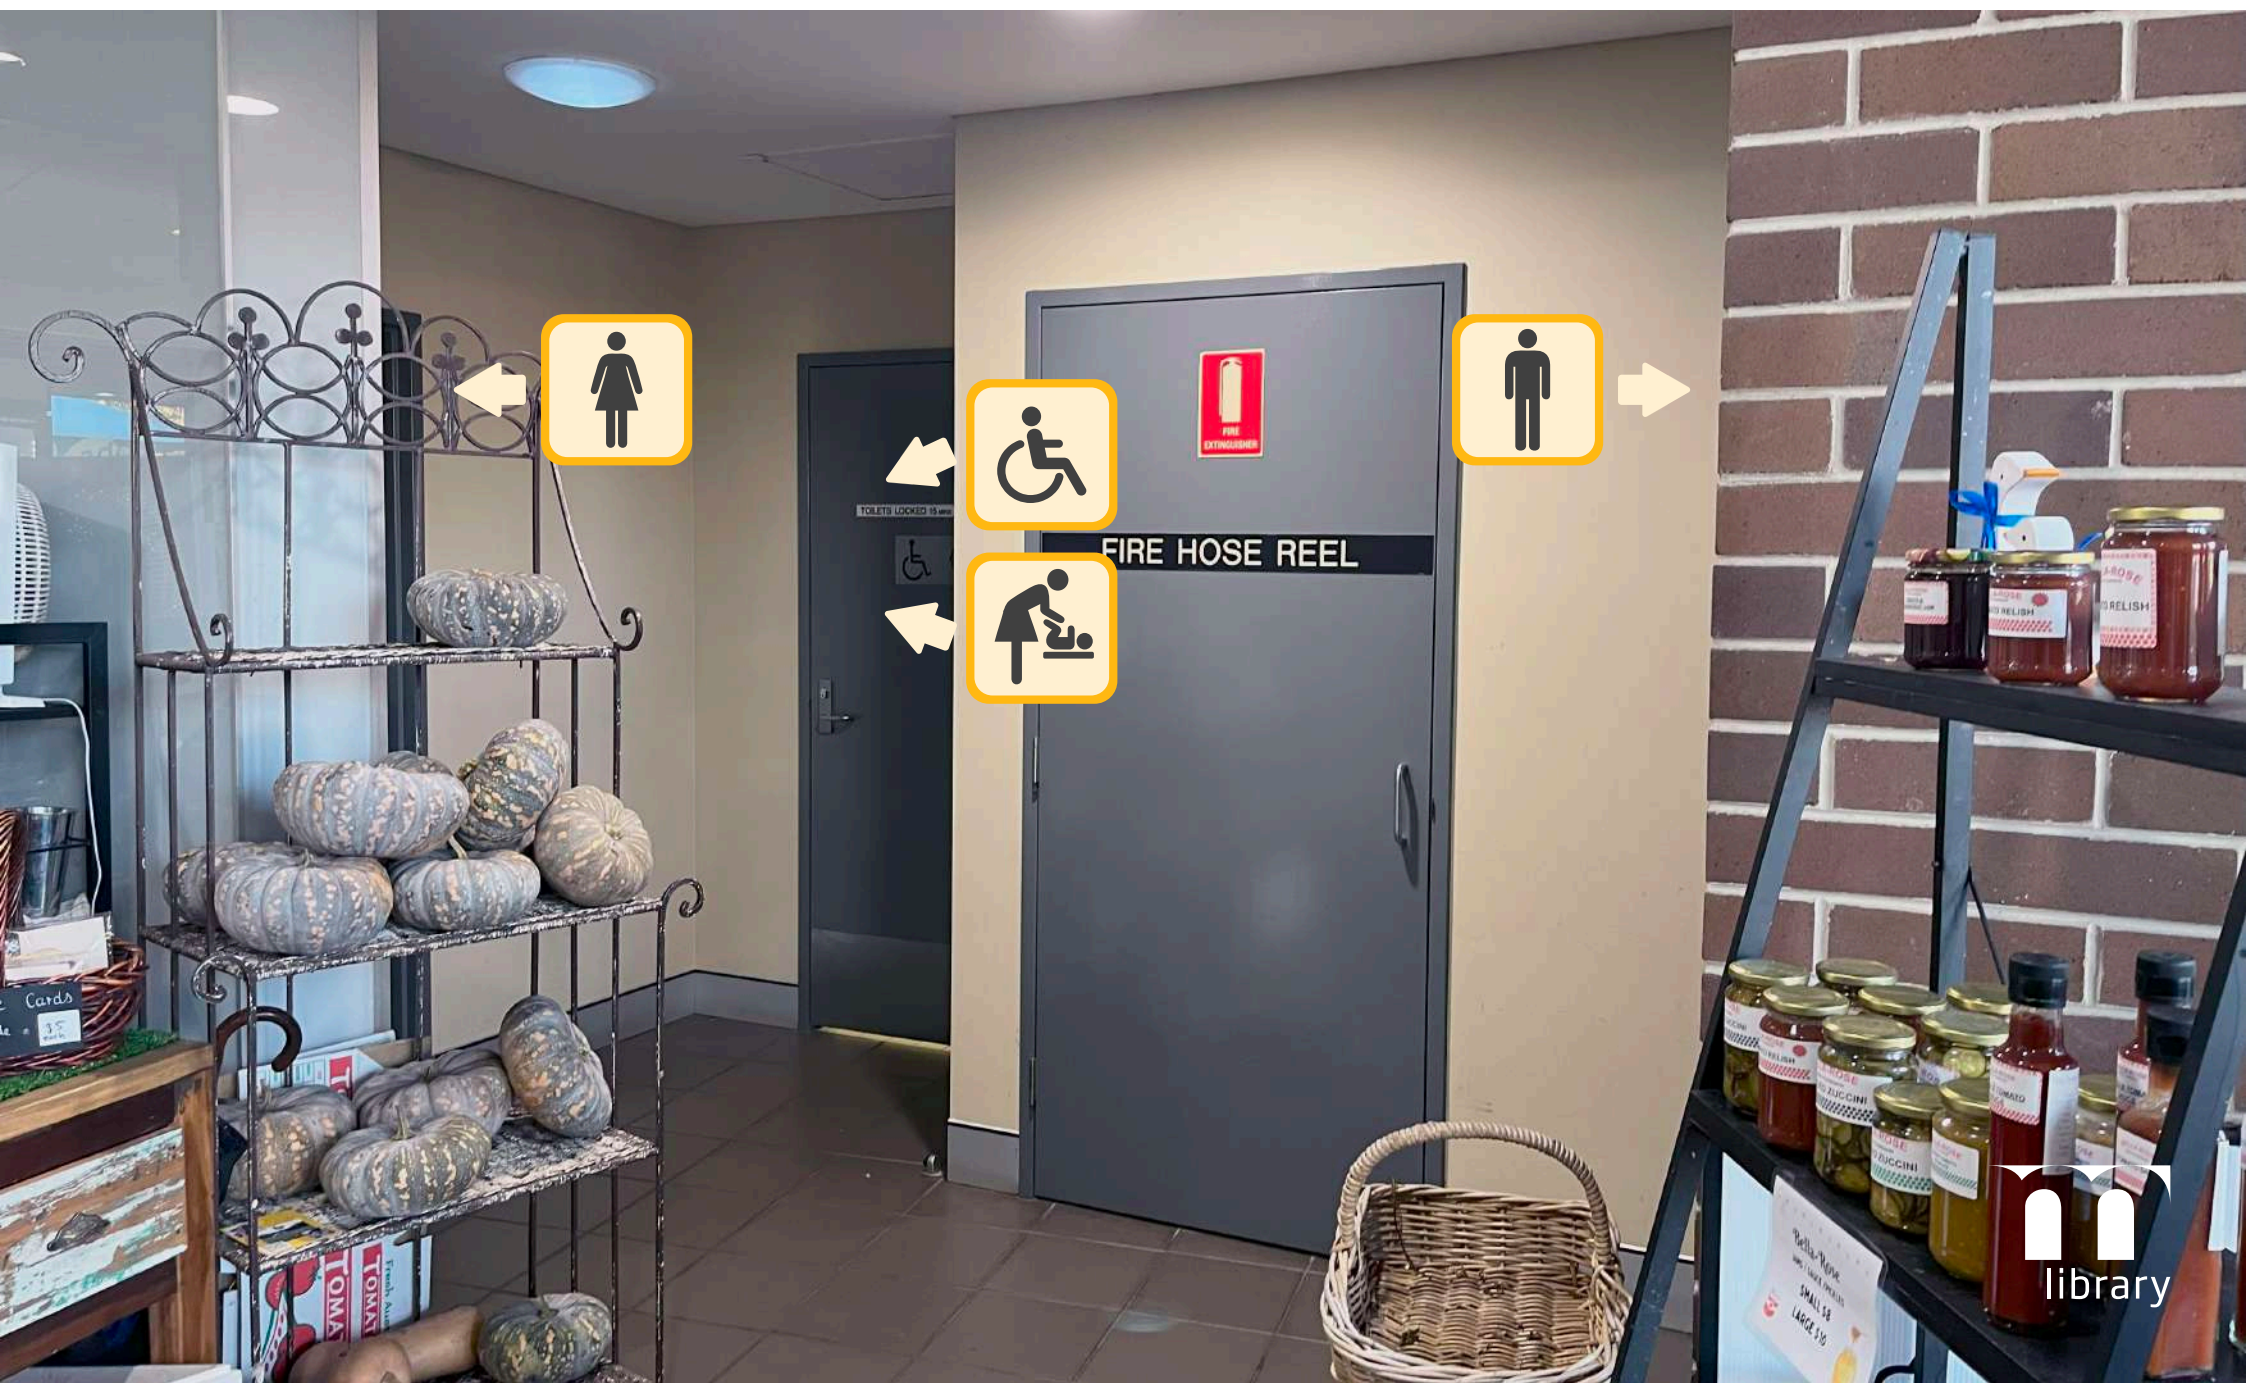

This is the Toy Library.

A librarian works at the library. I can ask the librarian,
'Can you help?'

There is also a bathroom at the library if I need to use the toilet.

I can find books to read.

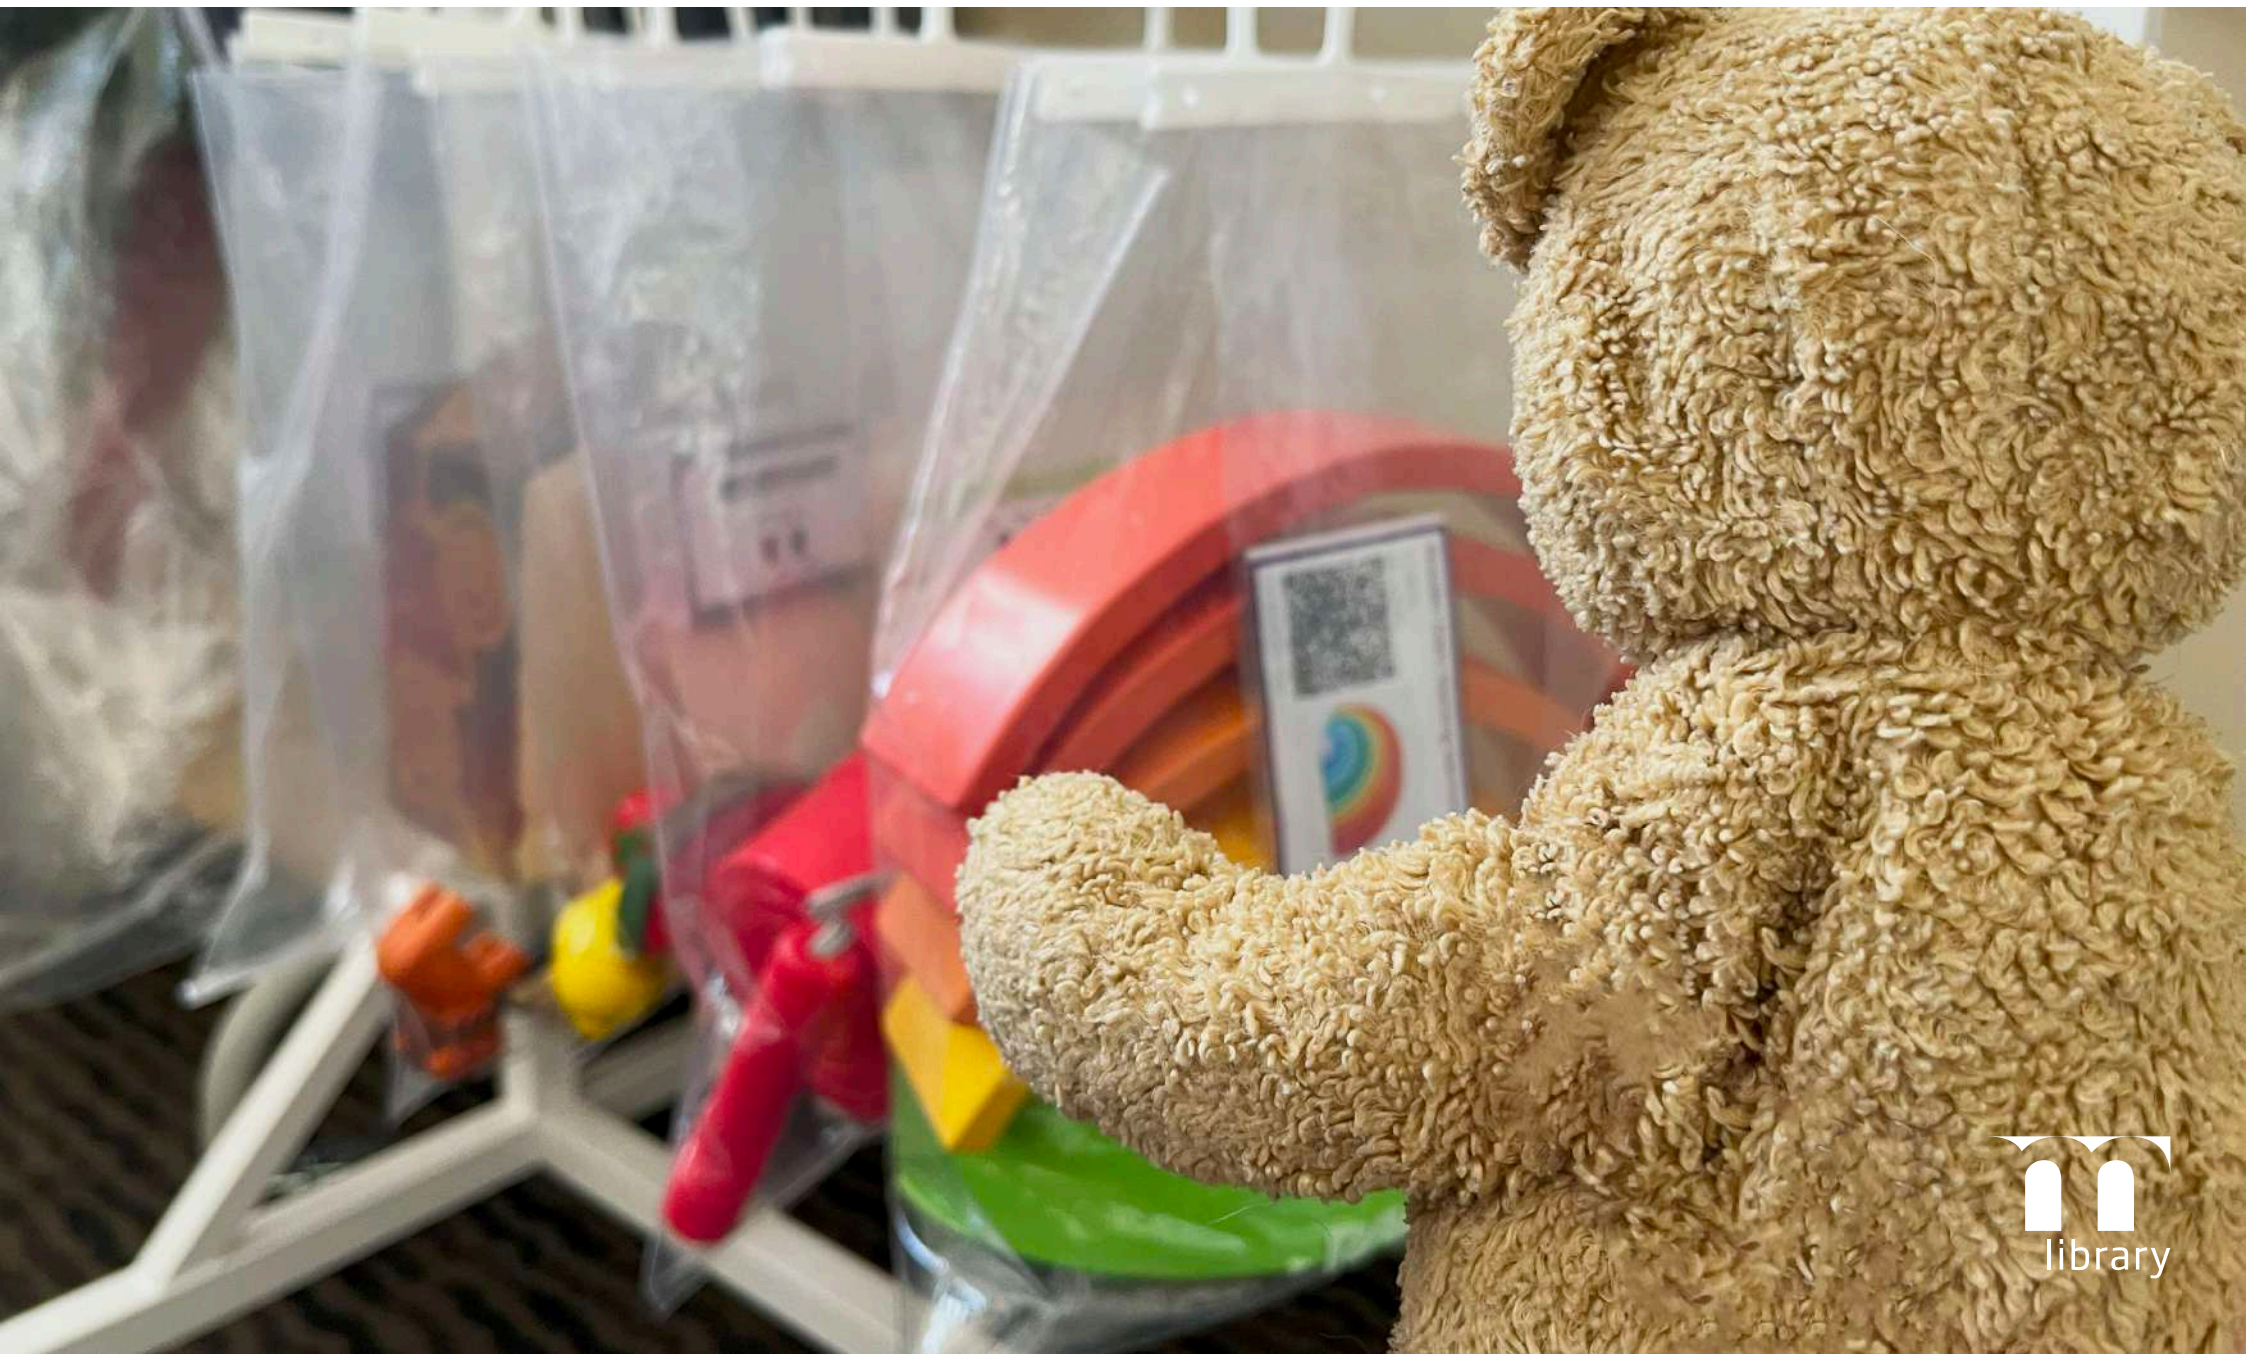

My adult and I can also look for toys in the Toy Library.

When we're in the Toy Library, we can look at the toys, games and puzzles.
I can pick three to borrow and play with at home.

Sometimes the Toy Library is busy and noisy, with lots of things happening and lots of toys to choose from.

If I need a break, I will let my adult know and we can find a quiet place in the library or in the park.

When I find what I want, my adult and I take the toys to the self check machine so we can borrow them.

We will need our library card to borrow toys or books.

I get to bring them home to play with for three weeks. Then we will bring them back to the library for other kids to have a turn.
