The Elevator song

Take the elevator up

Take the elevator down

Take the elevator up

Take the elevator down

Take the elevator up

Take the elevator down

And we turn around!

Let's Read!

Literacy tip:

Use your finger to follow the words you're reading across the page. This helps children learn that we read left to right.

Down by the station

Down by the station
Early in the morning
See the little puffing billies
All in a row
See the station master
Turn the little handle...
Puff, puff, puff
And away we go

Traffic lights

Stop says the red light

Go says the green

Go slow says the orange

Blinking in between

Row, row, row your boat

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily
Life is but a dream

Row, row, row your boat
Gently down the creek
If you see a crocodile
Don't forget to shriek

Row, row, row your boat
Gently down the river
If you see a polar bear
Don't forget to shiver

Row, row, row your boat
Gently to the shore
And if you see a lion there
Don't forget to roar
